

AMBETRONICS ENGINEERS PVT. LTD.

HEALTH, SAFETY & ENVIRONMENTAL POLICY

AEPL is committed to follow the good environment and occupational health & safety management system practices in relation to its activities conducted in the organization.

To achieve this, AEPL will;

- Complying to all applicable relevant legal & other requirements at all times,
- Conduct its activities in an environmentally responsible manner,
- Minimize impacts to the land, air & water & conservation of biodiversity in plantation through systematic environmental programs.
- Implement & maintain good practices of waste management & promote principles of reduce, reuse & recycle to ensure the effective use of available resources.
- Prevent injury and ill health of our people at workplace at all times
- Ensure suppliers, sub contractors & other interest parties understand the policy & their HSE responsibilities by communicating this policy;
- Provide the employees with HSE training & required resources to perform their tasks safely & sustainable manner
- Develop emergency preparedness and response plan for potential emergency situations and keep testing at regular intervals
- Strive for continual improvement by reviewing environmental objectives & targets at regular intervals.

This Policy is periodically reviewed to ensure that it remains relevant and appropriate to our organization
